Instructions for UI Designer: Landing Page Design for Motilal Oswal

1. Social Media Links

• Display a list of social media handles with clickable hyperlinks:

• Twitter

• Instagram

• WhatsApp

• Facebook

• Telegram

• YouTube

• Use recognizable icons with text labels. Links should open in new tabs.

2. Call to Action (CTA) - Google Form

• Add a prominent button labeled "Get Free Indian Market PDFs".

• Clicking opens a Google Form for customer details.

• After submission, users can download three free PDFs about the Indian market.

• Suggestion: Use a modal popup or redirect to form page for smooth UX.

3. Barcode (QR Code)

• Show a QR code linking directly to the Motilal Oswal registration page with your referral link embedded.

• Add a caption like: "Scan to Register with Motilal Oswal".

4. Products Section

• Add a button titled "Products We Specialize In / [illegible]".

• Clicking expands or navigates to a list of all products offered by Motilal Oswal.

5. List of Motilal Oswal Products (For Designer's Reference)

Motilal Oswal offers a wide range of financial products and services. Below is a simplified list to help you understand what the "Products We Specialize In" section should cover:

Products We Specialize In/ we deal in
